“ Sherry I so sorry. Ron was such a special man. I enjoyed working with him and he could always come up with some interesting topics to talk about, as I am sure you remember. He could always stand for what he believed in and not back down and he sure loved to do his reenactments, I hope and pray I have help you remember some of the good times that I remembered and that it will help you to continue to help you to wander on down memory lane to remember more good times that you two shared, I am so glad that the two of you meet and shared your lives together. I will keep you in my thoughts and prayers for the Lord to help lighten the pain that you feel and rest in the knowledge that you will meet again some day, Love you and you are in my heart
